

Are you getting your
10+ vegetables everyday?

Lifestream Ultimate Veggies contains pure and natural vegetable powders with organic antioxidant protection. That's it. A blend of Broccoli, Spinach, Beetroot, Cabbage, Carrot & Parsley. 100% natural - free from all artificial fillers, binders, additives, synthetic vitamins, colours or flavours. So if your diet is lacking in vegetables, simply mix Ultimate Veggies into water or sprinkle onto meals. It tastes delicious and is suitable for the entire family.

Available in powder and capsules
from leading Health Food Stores and selected Pharmacies.
